Ørsted North America  
One International Place  
100 Oliver Street, Suite 2610  
Boston, MA 02110

Dear Mr. Waltman:

Please find enclosed one copy of each of Bay State Wind LLC's four proposals submitted in response to the Request for Proposals for Long-Term Contracts for Offshore Wind Energy Projects issued on June 29, 2017 pursuant to the Commonwealth of Massachusetts' Act to Promote Energy Diversity, Chapter 188 of the Acts of 2016 (the "Section 83C RFP").

Pursuant to the rules of the Section 83C RFP, each of Bay State Wind's two bids (400 MW and 800 MW) include both a "Project Specific Generator Lead Line Proposal" and an "Expandable Transmission Proposal." Furthermore, Bay State Wind LLC is submitting its bid documents in both public and separate confidential versions, and respectfully requests that the confidential versions of its bid documents be afforded treatment consistent with Section 1.7.4 of, and Appendix F to, the Section 83C RFP rules. Accordingly, one copy of each of the following eight CD-ROMS are enclosed, as follows:

1. 400-MW Project Specific Generator Lead Line Proposal (public version)
2. 400-MW Expandable Transmission Proposal (public version)
3. 800-MW Project Specific Generator Lead Line Proposal (public version)
4. 800-MW Expandable Transmission Proposal (public version)
5. 400-MW Project Specific Generator Lead Line Proposal (confidential version)
6. 400-MW Expandable Transmission Proposal (confidential version)
7. 800-MW Project Specific Generator Lead Line Proposal (confidential version)
8. 800-MW Expandable Transmission Proposal (confidential version)

Bay State Wind LLC is today submitting copies of its bids to the Massachusetts electric distribution companies (Fitchburg Gas & Electric Light Company d/b/a Unitil, Massachusetts Electric Company d/b/a National Grid, Nantucket Electric Company d/b/a National Grid, NSTAR Electric Company d/b/a Eversource Energy, and Western Massachusetts Electric Company d/b/a Eversource Energy), to the Massachusetts Department of Energy Resources, and to Peregrine Energy Group in its capacity as "Independent Evaluator" for the Section 83C RFP. Bid fee remittance to the Massachusetts electric distribution companies has been undertaken separately, and in accordance with Appendix H to the Section 83C RFP rules.

As required by Section 1.7.3 of the Section 83C RFP rules, Bay State Wind LLC's business address is:

One International Place  
100 Oliver Street, Suite 2610  
Boston, MA 02110

The contact persons for Bay State Wind LLC's bids are:

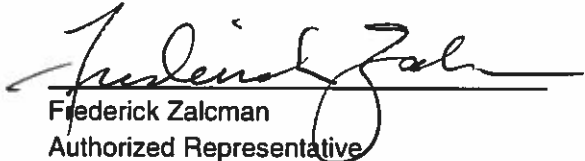

Frederick Zalzman

Bay State Wind LLC respectfully requests that you confirm receipt of its bid documents by completing the information on the third page of this letter, and returning it to the Bay State Wind LLC representative who has delivered the bid documents to you.

Thank you in advance for your attention to this matter. Please do not hesitate to contact us if you have any questions or concerns.

Sincerely,

Frederick Zalzman  
Authorized Representative  
Bay State Wind LLC

On behalf of NSTAR Electric Company and Western Massachusetts Electric Company, both d/b/a Eversource Energy, I hereby confirm receipt of one copy of each of the following eight CD-ROMS containing Bay State Wind LLC's bids submitted in response to the Section 83C RFP:

1. 400-MW Project Specific Generator Lead Line Proposal (public version)
2. 400-MW Expandable Transmission Proposal (public version)
3. 800-MW Project Specific Generator Lead Line Proposal (public version)
4. 800-MW Expandable Transmission Proposal (public version)
5. 400-MW Project Specific Generator Lead Line Proposal (confidential version)
6. 400-MW Expandable Transmission Proposal (confidential version)
7. 800-MW Project Specific Generator Lead Line Proposal (confidential version)
8. 800-MW Expandable Transmission Proposal (confidential version)
