

# Donald Wardwell

## PROFESSIONAL EXPERIENCE

### Longroad Energy

*Environmental Manager* | Dec 2022 – Present

- Lead environmental strategy and compliance for utility-scale renewable energy projects.
- Manage permitting, land use planning, and regulatory approvals across multiple jurisdictions.
- Coordinate with project developers, regulators, and consultants to mitigate environmental risk.
- Oversee biological assessments, permitting timelines, and stakeholder engagement.

### Stantec

*Senior Biologist* | Mar 2019 – Nov 2022

- Directed biological assessments, permitting, and environmental compliance for renewable energy, transmission, and infrastructure projects.
- Prepared technical reports and led agency consultation for NEPA, ESA, and state-level permitting.
- Managed multidisciplinary teams delivering environmental review under tight deadlines.

### Ecology and Environment, Inc.

*Senior Ecologist / Wildlife Biologist* | Oct 2014 – Mar 2019

- Led environmental review and permitting for energy and infrastructure projects.
- Conducted field studies, wildlife impact assessments, and mitigation planning.
- Provided project management, client coordination, and agency consultation.

*Ecologist / Wildlife Biologist* | Feb 2008 – Oct 2014

- Conducted ecological field surveys, impact analyses, and habitat assessments.
- Supported permitting efforts for large-scale energy and land use projects.
- Authored environmental documents for NEPA, ESA, and state processes.

### Bureau of Land Management

*Biological Science Technician* | Apr 2007 – Jan 2008

- Conducted wildlife surveys for endangered and sensitive species.
- Supported habitat monitoring and management for BLM-managed lands.

### University of Nebraska–Lincoln

*Research Assistant, Natural Resources – Wildlife Ecology* | Aug 2004 – Mar 2007

- Conducted field and lab research on wildlife ecology and conservation.
- Co-authored academic publications and supported graduate-level research projects.

*Teaching Assistant* | Feb 2006 – Mar 2006

- Assisted in instruction for undergraduate wildlife ecology courses.
- Supported curriculum delivery and student fieldwork training.

## EDUCATION

### University of Nebraska–Lincoln – Lincoln, NE

Master of Science, Natural Resources – Wildlife Ecology | 2004 – 2006

### Connecticut College – New London, CT

Bachelor of Arts, Environmental Studies | 1996 – 2000
